

WELCOME TO COMMUNITY PARK!

This will be our first season playing at our City's newest facility...Community Park. This beautiful park features five soccer fields with state of the art artificial turf. The City of Chino Hills and AYSO Region 779 hope you enjoy this new facility and ask that you comply with the following:

- No vehicles will be allowed onto park grounds.
- Vendors must cart in their equipment and goods.
- No stakes of any kind (metal, wooden, etc.) are allowed on the artificial turf.
- Team banners will not be permitted on the field. Banners may be hung on identified fences using metal clips, but must be removed as soon as the game is over. The use of zip ties is prohibited.
- Only practice flags with above-ground bases can be used. Nothing can be inserted into the ground.
- Umbrellas and umbrella stands are prohibited on the fields. Canopies are permitted on the field; however they cannot be staked to the ground.
- No food, peanuts, shelled seeds (i.e. Sunflower seeds) or gum is allowed on the artificial turf.
- Food may only be consumed on grass areas or cement.
- Alcohol is not permitted within the park. There are no other restrictions on beverages.
- No skates, scooters, or skate boarding allowed.
- No dogs allowed on the fields.
- Parking is limited at Community Park. The dirt lot adjacent to the park will be available for overflow parking.
- Please enter and exit the soccer fields via the outfield gates only. Do not use the baseball dugouts or the grass slopes to enter the fields!
- The park's soccer goals are only to be used with weighted sandbags provided by the City. The use of the park's soccer goals without sandbags poses a safety threat and is strictly prohibited.
- Please respect our fields and Community Park. Pick-up all trash after every practice and game. Please do not allow children to play on grass slopes, flowerbeds, trees, and other landscaped areas.

Thank you for your cooperation in preserving Community Park!
